“ Each child is a winner in our eyes... ”

Suburban Optimist Club Sports Group

is comprised of members dedicated to helping boys and girls develop physically, and socially, through sports and athletics. We promote and support activities and sports programs to encourage and facilitate the development of good character, citizenship and sportsmanship. Membership in our organization means that it is not only the individual child who joins our organization, but we also stress family involvement, fellowship, and community service. **Each child is a winner in our eyes** and we believe, every child regardless of their skill level, should have the opportunity to participate in various organized sports programs.

Annual Year End Banquet

In order to celebrate another successful sports season and to acknowledge the accomplishments of participants SOC

holds an Annual Year End Banquet. Each year's event is held in early Spring. Fun, prizes and good food are in order for our Awards Banquet.

Tri-Star Competition

The SOC Tri-Star Basketball competition is an annual event for both girls and boys (7 to 13) and is held every winter. SOC sponsors this event each year and the number of participants continues to grow. Tri-Star is a competition that consists of three separate events: Passing, dribbling, and shooting. Winners in each age bracket are eligible to participate in local, regional and State finals.
