Chartered in 1966 and celebrating over 50 years of serving the community, the Suburban Optimist Club of Buena Park ("SOC" for short) is comprised of community focused members dedicated to helping the youth of Southern California. Our mission is "to provide the structure and leadership in support of the community through civic and youth oriented programs for families in Southern California and to provide the environment where tomorrow's leaders can build character, self-esteem and self-confidence". SOC provides its members the opportunity to play a major role in the development of tomorrow's future leaders through various youth programs.
